Consuelo Marco Martínez, director of the East Asian Studies Area of the Department of Linguistics, Arabic, Hebrew and Asian Oriental Studies, of the Faculty of Philology, of the Complutense University.

I am pleased to invite Prof.&Dr. Fan Liu, Vice Dean of the School of Art and Design at Wuhan Textile University, to our school for academic exchange between January and February, 2024, and to bring us a report on her academic research. I hope her visit can open up further cooperation between the two schools.

For the record, I sign in Madrid on November 29, 2023.
